THURSDAY, JAN 5TH

8PM : A NUMBER OF FILMS FEATURING OUR BELOVED BICYCLE : \$10
(MAJESTIC THEATER - 115 E KING ST - MADISON, WI)

ON TIME (7MIN, 1987) Riding through the busy streets of NY, a bicycle messenger must deliver his package "on time."

PARASOL (5MIN, 2009) a beautiful, swift silent film about a bicycle, rainstorm & two lovers.

JITENSHA (20MIN, 2011) a story about a young man struggling to find meaning in life. Just as it seems that things could not possibly get worse, parts of Mamoru's bicycle begin to disappear, one by one.

JOUR DE FETE (76MIN, 1949) Set in a quaint French village, this nearly silent, slapstick film follows a postman who resolves to deliver the mail with the speed of the NYC postal service via his trusty bicycle.
